THE YACHT

Experience relaxation at the highest level paired with Balearic yacht lifestyle: TheHorizon Elegance 85 New Line is the perfect choice for yacht lovers who want to combine restrained elegance with the highest level of quality and is guaranteed to give you unforgettable yachting moments on the Balearic Islands.

The 26 meter yacht displays the perfect combination of modern design, an elegant profile (probably one of the most elegant on the market!), high quality and many practical details. It can accommodate up to 8 guests in 4 comfortable, spacious suites, including a king-size master cabin over the full width of the ship with plenty of storage space and en-suite bathroom as well as 3 further bathrooms for the comfortable guest cabins.

Enjoy your exclusive yacht vacation together with the whole family and friends and relax on the spacious yacht with a lot of privacy - whether in the salon, which is equipped with a spacious dining area, a bar and an extraordinary lounge area, or on the huge flybridge, which welcomes you with top equipment such as a bar, barbecue, an outdoor lounge (including dining area), sun loungers and a private whirlpool.

But the best entertainment is not only provided on the flybridge: On board you can also expect great extras such as a jet ski, the powerful dinghy for shore excursions and wakeboarding or sports equipment such as stand-up paddle and kayak.
